Subrecipient acknowledges and agrees that any and all expenditures by Subrecipient exceeding the total Budget or not permissible under the Operating Manual, or Laws governing this Agreement, shall be borne solely by Subrecipient. City is under no obligation to contribute any financial assistance to performance of the Activity other than the City Grant, regardless of the actual cost of performing the Activity.

5.2. Reimbursement Requests. Subrecipient shall submit to City timely, complete reimbursement

requests in accordance with this Agreement, using forms and instructions (including submittals over the internet) provided by City. City will reimburse Subrecipient on a Reporting Period basis for eligible expenditures, provided that all reports from Subrecipient required under this Agreement (including those required by the Operating Manual) are received by City (on such forms as City may require) within fifteen (15) calendar days after the last day of the immediately preceding Reporting Period. The final payment to Subrecipient shall be withheld by City until all Reporting Period reports required from Subrecipient under this Agreement have been received by City. City additionally reserves the right to withhold ten percent (10%) of the total Budget, until Subrecipient has submitted all City Grant close out documentation to City. Subrecipient shall not be reimbursed for any expenditure without sufficient documentation that the expenditure is eligible for reimbursement under this Agreement and that such eligible expenditure has been paid in full by Subrecipient.

5.3. Ineligible Expenditures. Subrecipient shall not be reimbursed for travel, meals, lodging, entertainment expenses, or alcoholic beverages, under any circumstances. Subrecipient shall not be reimbursed for any expenditures, directly or indirectly, during any period of Federal, State, City or other debarment, suspension, or ineligibility of Subrecipient from participation in activities using CDBG Funds, when Subrecipient has notice (actual, constructive, or implied) of such debarment, suspension, or ineligibility.

Partial reimbursement may be made for reimbursement requests that receive only partial approval from City. The Subrecipient Representative shall sign each and every request for reimbursement, attesting to its truthfulness and accuracy under penalty of perjury. Subrecipient acknowledges and agrees that City reserves the right to deny reimbursement for any request that is not properly submitted.

5.5. Time for Submittal. Subrecipient shall timely and properly submit a minimum of one reimbursement request for each Reporting Period, even if Subrecipient did not make any expenditures in performance of the Activity that are reimbursable under this Agreement during the Reporting Period and the reimbursement request is for zero dollars (\$0). Within forty-five (45) calendar days after the date of performance of any labor or services as part of the Activity, purchase of materials, supplies or equipment relating to the Activity, or receipt of an invoice for any expenditures incurred by Subrecipient relating to the Activity, in each case that are reimbursable under this Agreement, Subrecipient shall submit a reimbursement request for such labor, services, materials, supplies, equipment, or other expenditure(s) to City. Any failure to so submit a reimbursement request may be deemed a waiver of Subrecipient's right to reimbursement for such labor, services, materials, supplies, equipment, or other expenditure(s). Subrecipient shall submit to City any and all final reimbursement requests, including any documentation substantiating the requests, within thirty (30) calendar days after the earlier of: (a) completion of the Activity; (b) expiration of the Term; or (c) termination of this Agreement. Subrecipient waives any and all right to submit any documentation of Activity expense or to receive reimbursement for any Activity expense submitted to City for reimbursement after such thirty (30) calendar day time period. Furthermore, any remaining CDBG Funds balance in the Budget for which a reimbursement request has not been properly and timely submitted to City before the expiration of such thirty (30) calendar day time period shall be subject to reprogramming by City, without Notice to Subrecipient.

5.6. Other Funding Sources. If Subrecipient receives (or has received) additional funding for the Activity from a source or sources other than City, then Subrecipient shall charge Activity

expenditures to the appropriate funding source at the time incurred. Any expenditure incurred in connection with the Activity that is properly chargeable to a funding source other than CDBG Funds allocated to the Activity under this Agreement shall not be allowed as a reimbursable Activity expense under this Agreement.

5.7. Timely Expenditure. Subrecipient acknowledges that City must comply with HUD's requirement that CDBG Funds allocated for the Activity be expended in a timely manner and that City must monitor and administer all contracts involving City CDBG Funds. Subrecipient agrees to expend all CDBG Funds allocated to the Budget and complete the Activity before expiration of the Term. Any CDBG Funds not expended by Subrecipient before expiration of the Term may be reprogrammed by City Council without Notice to Subrecipient and will not be available to reimburse Subrecipient for any Activity expense incurred by Subrecipient.

5.8. Return of Improper Reimbursement. Upon the determination of City or HUD that any reimbursement provided to Subrecipient under this Agreement was for an ineligible expenditure or based on a fraudulent or other illegal or improper submittal of a request for reimbursement by Subrecipient, Subrecipient shall return such funds to City within fourteen (14) calendar days after Notice to Subrecipient. Upon the determination of City or HUD that any reimbursement provided to Subrecipient was based on an inadequate or improper submittal of a request for reimbursement by Subrecipient, Subrecipient shall provide any and all documentation required by City or HUD to fully remedy such concern(s), within fourteen (14) calendar days after Notice to Subrecipient. If Subrecipient is unable or unwilling to provide documentation to fully remedy such concern(s), Subrecipient shall return the reimbursed funds to City within such fourteen (14) calendar day time period. In addition to the remedies set forth in Section 17, if Subrecipient fails to timely return any funds to City in accordance with this Section 5.8, City reserves the right to deduct such amounts from any future reimbursement becoming due to Subrecipient under this Agreement.

6. PROGRAM INCOME. Subrecipient may use Program Income for performance of the Activity, provided that Subrecipient submits to City a written budget detailing Subrecipient's proposed use of Program Income and obtains City's prior written approval of such written budget, in City's sole and absolute discretion. Subrecipient shall separately account for any and all Program Income accrued or used by Subrecipient in its reports, audits or financial statements submitted to City under Section 8. If City approves Subrecipient's written budget for use of Program Income, all provisions of this Agreement shall apply to the use of such Program Income. Subrecipient agrees that substantially all Program Income approved by City for use by Subrecipient shall be used by Subrecipient for eligible activities before Subrecipient requests disbursement of additional CDBG Funds from City. If City does not approve Subrecipient's written budget for use of Program Income, Subrecipient shall return to City any and all Program Income balances (including investments thereof) held by Subrecipient within thirty (30) calendar days after the later of: (a) City's Notice of disapproval of Subrecipient's proposed budget; (b) expiration of the Term; (c) termination of this Agreement; or (d) Subrecipient's receipt of the Program Income.

7. INSURANCE. Prior to the Effective Date and prior to Subrecipient's performance of any Work, Subrecipient shall obtain and maintain, to protect the City Parties against all insurable Claims relating to this Agreement or the Activity, at the sole cost and expense of Subrecipient, all insurance coverage required in EXHIBIT C attached to this Agreement and deliver written certificates or policies of insurance evidencing all required insurance coverage to City. Subrecipient shall require and ensure that any and all Subcontractors obtain and maintain all of the insurance coverage required in EXHIBIT C. Neither Subrecipient nor any Subcontractor shall commence any Work, unless and until written evidence of all insurance required to be carried by Subrecipient and such Subcontractor under this Section 7 has been submitted to and approved by City.

8. REPORTS, FINANCIAL STATEMENTS, AND AUDITS.

8.1 Periodic Reports. Subrecipient shall submit to City a fiscal and programmatic report on a Reporting Period basis summarizing Subrecipient's expenditures in pursuing the Activity and the elements of the Activity completed during the applicable Reporting Period, along with any and all invoices and other documentation required by City. Such a report shall be submitted within fifteen (15) calendar days after the end of each Reporting Period. Upon City's request, Subrecipient shall participate in one or more annual reporting workshops regarding use of CDBG Funds.

8.2 End of Agreement Report. Subrecipient shall submit to City a report containing a narrative summary of the elements of the Activity completed as of the date of the report, a financial summary of Activity expenditures claimed to and reimbursed by City under this Agreement, and a list of any real property acquired or improved, in whole or in part, with CDBG Funds provided under this Agreement exceeding \$25,000, all within thirty (30) calendar days after the earlier of: (a) completion of the Activity; (b) expiration of the Term; or (c) termination of this Agreement.

8.3 Subrecipient Financial Statements. For each fiscal year that Subrecipient receives CDBG Funds under this Agreement, Subrecipient shall have audited financial statements prepared by an independent certified public accountant, in accordance with GAAP and GAGAS. Subrecipient shall provide City a copy of Subrecipient's audited financial statements within six (6) months after the end of Subrecipient's fiscal year. Audited financial statements shall include all of the following: (a) a balance sheet, income statement, and cash flow statement showing use of revenues and expenditures for all CDBG Funds received by Subrecipient under this Agreement; (b) a statement certifying compliance with all terms and conditions of this Agreement signed by the Subrecipient Representative; and (c) a statement certifying that all reports and disclosures required from Subrecipient under this Agreement have been completed, signed, and submitted by the Subrecipient Representative.

Subpart F (§§ 200.500 – 200.520) within nine (9) months after the end of Subrecipient's fiscal year. Subrecipient shall electronically submit a copy of the audit to the Federal Audit Clearinghouse, including the required data collection and reporting package described in 2 C.F.R. § 200.512, within the earlier of thirty (30) calendar days after Subrecipient's receipt of the audit or nine (9) months after the end of Subrecipient's fiscal year. Subrecipient must submit a copy of any management letters issued by the auditor for the audit to City within nine (9) months after the end of Subrecipient's fiscal year.

8.5 City and Federal Government Access to Audit Information. 10.1. Agreement Duration. Agreements for procured goods or services may not exceed five (5) years, nor may they be renewed, unless renewal was included in the original solicitation and does not result in the total term of the agreement exceeding five (5) years. The Parties shall endeavor thereafter to meet within five (5) calendar days of the second Party's receipt of such Notice, or at such time thereafter as is reasonable under the circumstances.

21. MANDATORY ASSISTANCE. If any dispute or litigation, or both, involving a Third Person, where the dispute or litigation arises out of, or relates to, this Agreement, City is named as a party to such dispute or litigation, and Subrecipient's Indemnity obligations under Section 16 do not apply to such dispute or litigation, then upon City's Notice to Subrecipient requesting such assistance, the Subrecipient Parties shall fully assist City in resolving the dispute or litigation. Assistance to City under this Section 21 is referred to in this Agreement as "Mandatory Assistance" and includes providing professional consultations, attending mediations, arbitrations, depositions, trials, or any event related to the dispute or litigation. In providing City with Mandatory Assistance, if the Subrecipient Parties incur reasonable costs (excluding Legal Costs), City will reimburse the Subrecipient Parties for such costs. However, if it is determined through resolution of the Third Person dispute or litigation, or both, that such Third Person dispute or litigation was attributable, in whole or in part, to one or more acts or omissions of one or more of the Subrecipient Parties, Subrecipient shall fully reimburse City for all amounts paid to the Subrecipient Parties in reimbursement of costs incurred in providing Mandatory Assistance and shall Indemnify City under Section 16 for all liability related to or arising from the Third Person dispute or litigation, or both.

Subrecipient shall comply with 2 C.F.R. § 200.321, as applicable, regarding affirmative efforts to contract with minority businesses, women's business enterprises, and labor surplus area firms. Subrecipient shall provide City, at the time of Activity completion, a report on the minority business or women's business enterprise status of all Subcontractors with contracts of \$10,000 or greater. If, during the Term, Subrecipient identifies a need for one or more additional subcontracts, Subrecipient shall, within ten (10) calendar days after the date of any such subcontract, provide a copy of the subcontract to City, along with a written statement describing the justification for the additional subcontract, an itemization of all costs for the additional subcontract, and an updated list of Subcontractors.

22.1. Required Subcontract Language. Subrecipient shall ensure that all subcontracts entered into in connection with the Activity contain the provisions in EXHIBIT D attached to this Agreement and the provisions in EXHIBIT E attached to this Agreement.

The Community Development Division Program Manager in City's Economic Development Department is City's representative for all purposes of this Agreement ("City Representative"). The City Representative shall communicate with Subrecipient on all matters related to the administration of this Agreement and Subrecipient's performance of its obligations under this Agreement. City may communicate with the Subrecipient Representative on all matters relating to this Agreement.

24. **NO PARTNERSHIP OR JOINT VENTURE**. The Parties each intend and agree that City and Subrecipient are independent contracting entities and do not intend by this Agreement to create any

partnership, joint venture or similar business arrangement, relationship or association between or among them. Subrecipient acknowledges and agrees that Subrecipient is an independent contractor and not an agent or employee of City. Any provision of this Agreement that may appear to give City a right to direct Subrecipient concerning the details of performing its obligations under this Agreement, or to exercise any control over such performance, shall mean only that Subrecipient shall follow the direction of City concerning the end results of the performance. Subrecipient shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind, on behalf of or against City, whether by contract or otherwise.

25. NO ASSIGNMENT OR DELEGATION. Because this Agreement is entered into by City in reliance upon Subrecipient's qualifications, experience, and personnel, Subrecipient shall not assign any of its rights or delegate or subcontract any of its obligations or duties under this Agreement, without the prior written consent of City, which may be given, withheld or conditioned in City's sole and absolute discretion. Any asserted assignment of Subrecipient's rights or delegation or subcontract of Subrecipient's obligations or duties under this Agreement shall not create a contractual relationship between City and any asserted assignee, delegatee or Subcontractor, and any such assignment, delegation or Subcontract shall be ineffective, null and void.

All prior negotiations or agreements between the Parties about the subject matter of this Agreement are merged into this Agreement.

28.4 No Implied Waiver. No failure of any Party to insist upon the strict performance by another Party of any term, covenant, or condition of this Agreement, nor any failure to exercise any right or remedy for a Default or Event of Default shall constitute a waiver of any such Default or Event of Default or the requirement to comply with such term, covenant, or condition. All Parties have participated substantially in the negotiation, drafting and revision of this Agreement, with advice from legal and other counsel and advisers of their own selection. A word, term or phrase defined in this Agreement may be used in the singular, plural, past tense, or future tense, regardless of how it is defined, all in accordance with ordinary principles of English grammar, which shall govern all language in this Agreement. As a consequence, Transfers by Subrecipient are only permitted with the prior written consent of City, in City's sole and absolute discretion. Subrecipient will not create or permit to be made or created any Transfer, except in accordance with this Section 28.20, whether made or created voluntarily, involuntarily or by operation of law. Project Details

Project Description

The Facility Renovation – 2025 Project will conduct comprehensive updates to the Subrecipient’s client-serving facility which provides services to LMI refugees and immigrants in San Diego.

Target Population

The Facility Renovation – 2025 project will benefit LMI individuals residing in the City of San Diego who are refugees, immigrants, or members of underserved communities. The Subrecipient will focus on individuals in Barrio Logan, San Ysidro, Encanto, Linda Vista, City Heights, and Southeastern San Diego. Clients come from difficult backgrounds, having fled unstable conditions in their home countries or endured stays in refugee camps. The Subrecipient anticipates an influx of refugees from Afghanistan, Syria, and Ukraine. Clients have limited access to resources that cater to their cultural and linguistic needs and about half have limited English proficiency. Within 90 days of resettlement, these individuals must secure employment and face significant hurdles due to language barriers and cultural differences.

Project Outcome

A total of one (1) nonprofit public facility will be improved to benefit low- and moderate-income individuals. A total of 5,000 unduplicated City of San Diego individuals will have new or improved access to services and resources immediately upon completion of the facility improvements for the purpose of creating a suitable living environment. Based on the previous logs of the visitors and an educated estimate, the anticipated total number of unduplicated City of San Diego residents that will access the improved Alliance's 5952 building during a two-month period after completion of the construction activities shall be 1,460 (or 730/month on AVG).

Project Activities

The Facility Renovation—2025 Project will utilize CDBG funds to renovate the subrecipient's client-serving facility. This includes installing solar panels on the building's roof, replacing existing carpeted floors with new wooden floors throughout the building, repainting of wall throughout the building, and replacing two entrance doors with new ADA-compliant doors.

These updates are essential to creating a healthy, safe, and accessible project service areas to serve an increasing number of clients. The renovations are pivotal to ensuring uninterrupted services for clients and will enhance long-term sustainability by reducing operational expenses and the frequency of repairs. These improvements will also allow the Subrecipient to redirect indirect costs toward expanding services capacity. The anticipated savings in electrical utilities are estimated to be \$36,000.

Programs and services to be provided at the improved facility include employment, education, resettlement, and other supportive services.

A more detailed description of the specific construction activities to be completed shall be approved by the Community Development Division (CDD) after the FY 2025 CDBG Agreement between the City and Subrecipient is executed and Subrecipient completes the required bidding process. Approved project activities to be paid with CDBG funds shall not be implemented by Subrecipient prior to issuance of the Notice to Proceed by the Community Development Project Manager.

All improvements completed shall be accessible, utilized by and/or directly benefit project clients served.

Federal and state prevailing wage laws and other labor standards requirements apply to the project.

Federal Section 3 and Minority/Women Outreach requirements also apply to the project.

The issuance date of the Invitation for Bid shall be within one hundred eighty (180) calendar days after the execution date of the CDBG Agreement between the City of San Diego and the Subrecipient.

Subrecipient is required to obtain documentation regarding the family size and annual income of the family of each person receiving project services. Income includes, gross wages, social security payments, retirement, disability, alimony, child support, and unemployment. Income does not include food stamp assistance or lump sum payments such as insurance settlements. Occasional overtime is excluded, but regular overtime is included. Subrecipient must ensure that a minimum of fifty-one percent (51%) of the total clients served by this project are members of a low- and moderate-income family. Presumed Benefit documentation may only apply to projects that exclusively serve a group of persons in any one or combination of the following categories: abused children; battered spouses; elderly persons 62 years or older; adults meeting the Census' Current Population Reports definition of "severely disabled"; homeless persons; illiterate adults; persons living with AIDS; and migrant farm workers.

In addition to the required income verification documentation, Subrecipient is required to obtain race and ethnicity documentation for those same clients. Subrecipient shall ensure that a complete listing of the CDBG race and ethnicity categories, as referenced in the Operating Manual, is presented to project clients for selection during the project intake process.

Subrecipient shall ensure detailed descriptions of project progress and/or delays encountered related to the implementation of CDBG pre-construction and actual construction activities related to this Scope of Work are included in the narrative section of the Monthly Programmatic Reports.

Subrecipient shall ensure a detailed explanation is included in the narrative section of the Monthly Programmatic Reports whenever a Monthly Programmatic Report (MPR) and/or Request for Reimbursement (RFR) is submitted

late. The explanation should include a description of the actions undertaken to resolve the submission issues encountered. Failure to complete timely MPR and/or RFR submissions will result in the issuance of a Non-Compliance Notification, which will impact future NOFA processes.

EXHIBIT C

2.2 Commercial Automobile Liability. Insurance Services Office Form Number CA 0001 covering Code 1 (any auto) or, if CDC has no owned autos, Code 8 (hired) and Code 9 (non-owned), with a liability limit no less than \$1,000,000 per accident for bodily injury and property damage.

2.5 Deductibles/Self-Insured Retentions. All deductibles under any insurance policy shall be the sole responsibility of Subrecipient and shall be disclosed to City at the time the evidence of the insurance coverage is provided to City. Self-insured retentions under any insurance policy shall be the sole responsibility of Subrecipient and must be declared to and approved by City at the time the evidence of the insurance coverage is provided to City. City may require Subrecipient to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigation, claim administration, and defense expenses within the deductible or retention. Each insurance policy with a self-insured retention shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

City reserves the right to require complete, certified copies of all insurance policies, including endorsements, described in this EXHIBIT C, at any time.

For commercial general liability insurance coverage, Subcontractors shall provide coverage with a form at least as broad as the CG 20 38 04 13 endorsement.

2.12 Deliveries to City. Evidence of Subrecipient's maintenance of all insurance policies required by this Agreement shall be delivered to City within five (5) days after the Effective Date. Each insurance policy required by this Agreement shall be endorsed to state that coverage shall not be cancelled, suspended, voided, reduced in coverage or in limits, except after thirty (30) calendar days' advance written notice of such action has been given to City by certified mail, return receipt requested. Phrases such as "endeavor to" and "but failure to mail such Notice shall impose no obligation or liability of any kind upon the company" shall not be included in the cancellation

wording of any certificates or policies of insurance applicable to the City Parties under this Agreement.

2.13 No Representation. No Party makes any representation that the limits, scope, or forms of insurance coverage this Agreement requires are adequate or sufficient.

Subrecipient shall not discriminate against any employee or applicant for employment on any basis prohibited by law. Subrecipient shall provide equal opportunity in all employment practices. If such a financial or economic interest is determined by City to exist, City shall have the right to immediately terminate this Agreement by giving Notice of termination to Subrecipient.

10.2 Statements of Economic Interests. In performing its obligations under in this Agreement, if an employee or representative of Subrecipient makes or participates in a “governmental decision,” as described in title 2, section 18704 of the California Code of Regulations or performs the same (or substantially all the same) duties for City that would otherwise be performed by a City employee holding a position specified in City’s conflict of interest code, that Person shall be subject to City’s conflict of interest code, requiring the filing of one or more statements of economic interests disclosing such person’s relevant financial interests. Statements of economic interests shall be made on Fair Political Practices Commission Form 700 (“Form 700”) and filed with the City Clerk. Each Person required to file a Form 700 shall do so within thirty (30) calendar days after City’s determination that such Person is subject to City’s conflict of interest code (“Assuming Office Statement”). All required Persons shall also file a Form 700 on or before each April 1 (“Annual Statement”) disclosing any and all financial interests held during the previous calendar year for which the Person was subject to City’s conflict of interest code.

10.3 Conflict of Interest Restrictions. Subrecipient shall not recommend or specify any product, supplier, or contractor with whom Subrecipient or any of its employees or representatives has or have a direct or indirect financial or organizational interest or relationship that would violate conflict of interest laws, regulations, or policies.

10.4 Conflict of Interest Violations. If Subrecipient or any of its employees or representatives violate any conflict of interest law, regulation or policy or any of the provisions of this EXHIBIT D, Section 10, Subrecipient shall be liable to City for Legal Costs and all damages sustained by City as a result of the violation. City shall have no obligation to pay or reimburse Subrecipient for the Improvements or Activity or any services provided under or related to this Agreement if such Improvements, Activity or services relate to any contract awarded or financial obligation entered into in violation of any conflict of interest law, regulation or policy or any of the provisions of this Exhibit D, Section 10.

11. **OPERATING MANUAL.** Subrecipient acknowledges receipt of and shall comply with the Operating Manual, including those provisions related to fiscal accountability, eligible and ineligible expenditures, and procedures for financial management, accounting, budgeting, record keeping, reporting, bonding requirements, and other administrative functions. 11.1. The work to be performed under this Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 USC 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

11.2. The Parties to this Agreement agree to comply with HUD's regulations in 24 C.F.R. Part 75, which implement Section 3. As evidenced by their execution of this Agreement, the Parties to this Agreement certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.

11.3. Subrecipient agrees to send to each labor organization or representative of workers with which Subrecipient has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of Subrecipient's commitments under this Section 3 Clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each, the name and location of the Person(s) taking applications for each of the positions and the anticipated date the work shall begin.

11.4. Subrecipient agrees to include this Section 3 Clause in every subcontract subject to compliance with the regulations in 24 C.F.R. Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 Clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 75. Subrecipient will not subcontract with any subcontractor where Subrecipient has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 75.

11.5. Subrecipient will certify that any vacant employment positions, including training positions, that are filled (1) after Subrecipient is selected, but before this Agreement is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 75 require employment opportunities to be directed, were not filled to circumvent Subrecipient's obligations under 24 C.F.R. Part 75.

11.6. Noncompliance with HUD's regulations in 24 C.F.R. Part 75 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted agreements.

11.7. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 USC

450e) also applies to the work to be performed under this Agreement. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this Agreement that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

11.8. Subrecipient shall document its good faith efforts to comply with the terms and conditions of the above Section 3 Clause and furnish such documentation to City, upon request.

12. **REVERSION OF ASSETS.** Upon the expiration or termination of this Agreement, Subrecipient shall transfer to City any CDBG Funds (including Program Income) on hand at the time of such expiration or termination and relating to the City Grant. As applicable, Subrecipient shall comply with the requirements of 24 C.F.R. § 570.503(b)(7) regarding the use or disposition of any real property acquired or improved with CDBG Funds in excess of \$25,000. If Subrecipient does not use the real property to meet one of the national objectives in 24 C.F.R. § 570.208 for at least five (5) years after the expiration or termination of this Agreement, Subrecipient shall pay City an amount equal to the current market value of the property, less any portion of the value attributable to expenditures of funds other than CDBG Funds for the acquisition of, or improvement to, the property.

13. **FAIR HOUSING ACT.** As applicable, Subrecipient shall comply with Title VIII of the Civil Rights FAIR HOUSING ACT of 1968, as amended, which prohibits discrimination in the sale, rental, and financing of dwellings, and in other housing-related transactions, based on race, color, national origin, religion, sex (including gender identity and sexual orientation), disability, age, and familial status (including children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18). Subrecipient shall post in a prominent place at its offices the Equal Housing Opportunity Logo provided by City, which may be obtained through the City's Economic Development Department, and any other fair housing materials provided by City during the Term. Subrecipient shall attend the City's annual mandatory fair housing workshop for HUD Subrecipients.

14. **SECTION 504.** As applicable, Subrecipient shall comply with any and all Federal regulations issued under Section 504 of the Rehabilitation Act of 1973, prohibiting discrimination against persons with disabilities in any Federally assisted program. City shall provide Subrecipient with any guidelines necessary for compliance with that portion of the regulations applicable during the Term.

15. **LIMITED ENGLISH PROFICIENCY.** As applicable, Subrecipient shall comply with Executive Order 12166, enacted on August 11, 2000, mandating that any recipient of HUD assistance funds reduce barriers to access for limited English proficiency ("LEP") persons. Subrecipient shall comply with and make good faith and reasonable efforts to carry out the purposes of Executive Order 12166 relating to "Improving Access to Services by Persons with Limited English Proficiency." Subrecipient acknowledges that failure to ensure LEP access to HUD benefits may violate Title VI of the Civil Rights Act of 1964.

16. **LEAD-BASED PAINT.** As applicable, Subrecipient shall comply with 24 C.F.R. § 570.608 relating to the Lead-Based Paint Poisoning Prevention Act (42 USC 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 USC 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, and R.

Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 FR 17001), any funds obligated by HUD on or after the applicable listed effective dates, are subject to BABA requirements, unless excepted by a waiver.

1.2. *Federally Assisted Construction Contract.* Any agreement between Subrecipient and another Person for construction of the Improvements paid for in whole or in part with CDBG Funds or borrowed on the credit of City or the Federal government under the CDBG program, where Subrecipient participates in the construction of the Improvements, including supervision, inspection, and other onsite functions incidental to the actual construction of the Improvements.

1.4. *Prime Contractor.* Any Subcontractor that is acting as a general contractor or prime contractor for construction of the Improvements.

2. Improvements Construction. Subrecipient shall construct the Improvements in accordance with the terms, conditions and covenants of this Agreement. Subrecipient may act as Prime Contractor for such construction or contract with a third person Prime Contractor for such construction. Subrecipient shall not use, or allow to be used, any donated or volunteered labor to perform any labor or services under this Agreement, except as permitted by Federal law and HUD regulations. Use of donated or volunteered labor or services in performance of any construction shall be promptly reported to City.

3. Compliance Documentation. Subrecipient shall provide City with all Environmental Documents and any other documents required by law or this Agreement for construction of any and all Improvements, within fourteen (14) calendar days after Notice from City, unless otherwise specified in the Notice from City. Subrecipient shall also provide written documentation to the satisfaction of City of Subrecipient’s legal authority to construct all Improvements in accordance with this Agreement.

4. Pre-Construction Actions. Subrecipient shall not begin work on the Improvements, unless and until: (a) Subrecipient obtains all required Approvals from City and other Governments with jurisdiction over construction of the Improvements; (b) City approves all final construction plans and specifications for construction of the Improvements; (c) City reviews and approves all Subcontracts proposed by Subrecipient for construction of the Improvements; and (d) Subrecipient holds a pre-construction meeting with the City Representative, any Third Person Prime Contractor, and all Subcontractors expected to participate in construction of the Improvements (collectively, “Pre-Construction Requirements”). Subrecipient shall complete all of the Pre-Construction Requirements and Notify City of such completion. Upon City’s confirmation of Subrecipient’s completion of all of the Pre-Construction Requirements, City shall issue a Notice to Proceed to Subrecipient. Under no circumstances shall Subrecipient or any Subcontractor commence construction of the Improvements, unless and until Subrecipient receives Notice to Proceed from City.

5. Commencement of Construction. Within thirty (30) days after the date of City issuance of a Notice to Proceed, Subrecipient shall commence construction of the Improvements in accordance with the terms, conditions and covenants of this Agreement.

6. Construction Schedule. Subrecipient is responsible for ensuring that construction of the Improvements proceeds to completion within the Term. Completion of the Improvements shall be evidenced by Subrecipient recording a Notice of Completion in accordance with California Civil Code section 8182 or section 9204, as applicable, and City issuance of a final Certificate of Occupancy for the Improvements, if applicable, or alternatively, final City inspector sign-off on the Improvements, if a

Certificate of Occupancy is not required for the Improvements. Subrecipient is also responsible for ensuring that written reports are completed on a regular basis, that any Prime Contractor's and any and all Subcontractors' requests for progress payments are reviewed before payments are made, and that necessary change orders are prepared and submitted to City for approval, prior to implementation.

7. Maintenance of Documents. Subrecipient is responsible for ensuring maintenance of all written guarantees and warranties, instruction books, diagrams, charts, and maintenance manual relating to construction of the Improvements following completion of the Improvements.
8. Scope of Work Changes. Should circumstances require and the Parties agree, in their respective sole and absolute discretion, that the scope of the Improvements should be changed or amended, such change or amendment shall be accomplished only as follows: (a) a change to the scope of the Improvements that does not affect the total amount to be paid or reimbursed to Subrecipient under this Agreement shall be accomplished by a written "Scope of Work Adjustment" form provided by City that is signed by the authorized representatives of both City and Subrecipient; or (b) a change to the scope of the Improvements that increases the total amount to be paid or reimbursed to Subrecipient under this Agreement shall be made by a written amendment to this Agreement in accordance with Section 28.19.
9. Builder's Risk Insurance. During construction of the Improvements, Subrecipient shall obtain and maintain builder's risk or course of construction insurance covering all risks of loss, less policy exclusions, on a completed value (non-reporting) basis, in an amount sufficient to prevent coinsurance, but in any event not less than one hundred percent (100%) of the completed value of the subject construction, including cost of debris removal, but excluding foundation and excavations. Such insurance shall also: (a) grant permission to occupy; and (b) cover, for replacement cost, all materials on or about any offsite storage location intended for use in, or in connection with, the Improvements. Builder's Risk Insurance coverage shall commence at the time of contractor mobilization for the Improvements. Builder's Risk Insurance shall be subject to the provisions of EXHIBIT C attached to this Agreement.
10. City Prevailing Wage Requirements. Subrecipient and all Subcontractors shall comply with SDMC section 22.3019 requiring compliance with California Labor Code sections 1720 through 1861 (State prevailing wage law) for any and all construction work performed or funded under this Agreement cumulatively exceeding \$25,000 and for any and all alteration, demolition, repair and maintenance work performed or funded under this Agreement cumulatively exceeding \$15,000. Under Municipal Code section 22.3019 ("PWO"), construction work performed or funded under this Agreement cumulatively exceeding \$25,000 and alteration, demolition, repair and maintenance work performed or funded under this Agreement cumulatively exceeding \$15,000 is subject to the State of California prevailing wage law set forth in California Labor Code section 1720 through 1861 ("Prevailing Wage Law") and in undertaking any and all such work, Subrecipient and its Subcontractors shall comply with Prevailing Wage Law, including the requirements set forth in this EXHIBIT F. This requirement to comply with Prevailing Wage Law is in addition to any requirement to pay "living wage" under Municipal Code section 22.4201 through 22.4245 ("LWO"). If both Prevailing Wage Law and the LWO are applicable to particular work, Subrecipient must determine which per diem rate is highest for each classification of work between the applicable prevailing wage rate and living wage rate, and pay the higher of the two rates to their employees. The LWO may apply to work that is not subject to Prevailing Wage Law.

10.1. *Compliance with Prevailing Wage Requirements*. Under Prevailing Wage Law, Subrecipient and its Subcontractors shall ensure that all workers who perform work that is subject to Prevailing Wage Law are paid not less than the prevailing rate of per diem wages, as determined by the Director of the California Department of Industrial Relations (DIR), including work performed during the design and preconstruction phases of construction, which encompasses, without limitation, inspection and land surveying work.

10.1.1. **Wage Rates**. Copies of the prevailing rate of per diem wages are on file at City's Equal Opportunity Contracting Department and are available for inspection to any interested Person on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. Subrecipient or its

Subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make this information available to any interested party upon request. Subrecipient shall deliver evidence of the required job site posting to City, within 5 calendar days after such posting.

10.1.2. **Duration of Wage Rates.** The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the term of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the term of this Agreement, such wage rate shall apply to the balance of the term of this Agreement.

10.2. *Penalties for Violations.* Subrecipient and its Subcontractors shall comply with California Labor Code section 1775, in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. Compliance with California Labor Code section 1775 shall be in addition to any other applicable penalties allowed under California Labor Code section 1720 through 1861.

10.3. *Payroll Records.* Subrecipient and its Subcontractors shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. Subrecipient shall, and shall require its Subcontractors to, comply with California Labor Code section 1776, including having provisions requiring such compliance in all contracts with Subcontractors. Any requirement to submit certified payroll records to DIR shall include, without limitation, submitting certified payroll records to DIR through its online system for submission of certified payroll records, as required by DIR, and submitting certified payroll records to City through City's web-based Labor Compliance Program (described in this EXHIBIT F, Section 10.8). Further, Subrecipient and its Subcontractors shall furnish the records specified in California Labor Code section 1776 directly to the Labor Commissioner in the manner required in California Labor Code section 1771.4. Subrecipient is responsible for ensuring that its Subcontractors submit certified payroll records to City, the Labor Commissioner and DIR.

10.4. *Apprentices.* Subrecipient and its Subcontractors shall comply with California Labor Code section 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Subrecipient shall be held responsible for its compliance and the compliance of its Subcontractors with California Labor Code section 1777.5, 1777.6 and 1777.7.

10.5. *Working Hours.* Subrecipient and its Subcontractors shall comply with California Labor Code section 1810 through 1815, including: (i) restricting working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specifying penalties to be imposed on design professionals and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections 1810 through 1815.

10.6. *Required Provisions for Subcontracts.* Subrecipient shall include, at a minimum, a copy of the following provisions in any contract it enters into with a Subcontractor: California Labor Code section 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

10.7. *Labor Code Section 1861 Certification.* In accordance with California Labor Code section

3700, Subrecipient and its Subcontractors are required to secure the payment of compensation of their respective employees and by signing this Agreement or any subcontract, respectively, Subrecipient and each of its Subcontractors certifies that "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract." Subrecipient shall include this certification by each Subcontractor in each contract with a Subcontractor.

10.8. *Labor Compliance Program.* City has its own Labor Compliance Program authorized in August 2011 by DIR. City will withhold payments to Subrecipient when payroll records are delinquent or deemed inadequate by City or another governmental entity, or it has been established, after an investigation by City or another governmental entity, that underpayment(s) have occurred. For questions or assistance, please contact City's Equal Opportunity Contracting Department at 619-236-6000.

10.9. *Subrecipient and Subcontractor Registration Requirements.* All work is subject to compliance monitoring and enforcement by DIR. A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal subject to the requirements of California Public Contract Code section 4104, or engage in the performance of any contract for public work, as defined in Prevailing Wage Law, unless currently registered and qualified to perform the work under California Labor Code section 1725.5. In accordance with California Labor Code section 1771.1(a), "[i]t is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 2103.5 of the Public Contract Code, provided the contractor is registered to perform public work under Section 1725.5 at the time the contract is awarded."

10.9.1. **Inadvertent Error.** A contractor's inadvertent error in listing a subcontractor who is not registered under California Labor Code section 1725.5 in a response to a solicitation shall not be grounds for filing a bid protest or grounds for considering the bid non-responsive, provided that any of the following apply: (1) the subcontractor is registered prior to bid opening; (2) within twenty-four hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered contractor under Public Contract Code section 4107.

10.9.2. **Cancellation.** A contract entered into with any contractor or subcontractor in violation of Labor Code section 1771.1(a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of California Labor Code section 1725.5.

10.9.3. **Verification.** By entering into this Agreement, Subrecipient is certifying that it has verified or will verify that all Subcontractors used on work subject to Prevailing Wage Law are registered with the DIR in compliance with Labor Code sections 1771.1 and 1725.5, and shall provide proof of such Subcontractor registration to City.

10.10. *Stop Order.* If Subrecipient or its subcontractor(s) engage in any work without having been registered in violation of California Labor Code sections 1725.5 or 1771.1, the Labor Commissioner shall issue and serve a stop order prohibiting the use of the unregistered contractor(s) or unregistered subcontractor(s) on ALL public works until the unregistered contractor(s) or unregistered subcontractor(s) is/are registered. Failure to observe a stop order is a misdemeanor.

10.11. *List of all Subcontractors.* City may ask Subrecipient for the most current list of subcontractors (regardless of tier), along with their DIR registration numbers, utilized in performance of any work under this Agreement at any time during performance of this Agreement, and Subrecipient shall provide the list within ten (10) working days of City's request.

Additionally, Subrecipient shall provide City with a complete list of all subcontractors utilized in performance of any work under this Agreement (regardless of tier), within ten working days of the completion of the work, along with their DIR registration numbers. City shall withhold payments to Subrecipient until at least 30 days after this information is provided to City.

10.12. *Exemptions for Small Projects.* There are limited exemptions for installation, alteration, demolition, or repair work done on projects of \$25,000 or less. Subrecipient shall still comply with California Labor Code sections 1720 through 1861. The only recognized exemptions are listed below:

10.12.1. **Registration.** Subrecipient will not be required to register with the DIR for small projects. (California Labor Code section 1771.1).

10.12.2. **Certified Payroll Records.** The records required in California Labor Code section 1776 shall be required to be kept and submitted to City, but will not be required to be submitted online with the DIR directly. Subrecipient will need to keep those records for at least three years following the completion of the subject work. (California Labor Code section 1771.4).

10.12.3. **List of all Subcontractors.** Subrecipient will not be required to hire only registered subcontractors and is exempt from submitting the list of all subcontractors that is required in EXHIBIT F, Section 10.11. (California Labor Code section 1773.3).

10.13. *Filing of Form PWC-100.* Subrecipient shall timely file a PWC-100 Form (or other form required by DIR) with DIR, as and when required by Prevailing Wage Law, and concurrently deliver a copy of such filed form to City.

10.14. *Filing of Notice of Completion.* Subrecipient shall record a notice of completion in accordance with California Civil Code section 8182 or section 9204, with the Recorder for the County of San Diego, California, and concurrently deliver a copy of such recorded notice of completion to City.

11. Federal Davis-Bacon Act Compliance. Subrecipient and each Subcontractor shall comply with the Federal "Davis-Bacon Act" (40 USC §§ 3141-3144 and §§ 3146-3148), as supplemented by Department of Labor regulations (29 C.F.R. Part 5), for construction contracts in excess of \$2,000. Subrecipient and each Subcontractor shall ensure that all laborers and mechanics performing work relating to the Activity are paid at a rate not less than the prevailing wage rate specified in a wage determination made by the United States Secretary of Labor and are paid not less than once per week. If wage rates higher than those required under the Davis-Bacon Act are imposed by State, City or other local law, nothing in this EXHIBIT F, Section 11, is intended to relieve Subrecipient or any Subcontractor of the obligation, if any, to pay the higher wage rate. Subrecipient and each Subcontractor shall submit certified payroll records to City on a weekly basis, including the original statements of compliance.

12. Federally Assisted Construction Contract Required Clauses. Federally assisted construction contracts entered into by Subrecipient or any Subcontractor, shall include the following clause:

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on

behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by City's contracting officer, advising the labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, and will permit access to his books, records, and accounts by City and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued under section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States."

13. Declaration. In accordance with 24 C.F.R. § 570.505, if the Activity involves the acquisition or improvement of real property with more than \$25,000 of CDBG Funds, Subrecipient shall make and enter into the Declaration and authorizes City to record the Declaration in the official records of the County with respect to the subject real property, all before City disburses any CDBG Funds to Subrecipient under this Agreement. Subrecipient represents and warrants to City that Subrecipient has the, right, power, and authority to make and enter into the Declaration and authorize City to record the Declaration in the official records of the County with respect to the subject real property.

2. CDBG COVENANTS AND RESTRICTIONS.

- 2.1 Declarant Acknowledgment of Potential Impact of Declaration. Declarant acknowledges and agrees that this Declaration imposes certain covenants, conditions and restrictions on the use and occupancy of the Property during the Term that may not constitute the highest and best use of the Property.
- 2.2 Agreement to Record. Declarant agrees that City may record or cause the recording of this Declaration against the Property in the official records of County.
- 2.3 CDBG Restrictive Covenants. Subject to the terms, conditions and provisions of this Declaration, Declarant covenants to and for the benefit of City that Declarant shall acquire, improve, develop, own, manage and operate, or cause the management and operation of, the Property at all times during the Term, for the Intended Use and excluding any use inconsistent with the Intended Use.
- 2.4 Abandonment. Declarant shall not abandon or surrender the operation of all or any part of the Property for the Intended Use during the Term, except due to material casualty or Condemnation that reasonably justifies such abandonment or surrender.
- 2.5 Compliance. Declarant shall, at all times during the Term and at Declarant's sole cost and expense, in all material respects: (a) comply with all Laws; and (b) procure and comply with all Approvals required by Law.

3. **MONITORING.** City shall have the right, but not the obligation, to monitor and enforce the obligations of Declarant under this Declaration.

4. HAZARDOUS SUBSTANCES.

4.1 Restrictions. Declarant shall not cause or permit to occur on, under, at or from the Property during the Term: (a) any violation of any Environmental Law; or (b) the use, generation, release, manufacture, refining, production, processing, storage or disposal of any Hazardous Substance, or transportation to or from the Property of any Hazardous Substance, unless both: (i) reasonably necessary and customary to construct, operate or maintain the Property for uses this Declaration permits; and (ii) in compliance with all Environmental Laws.

4.2 Compliance; Clean-Up. Declarant shall, at Declarant's sole cost and expense: (a) comply with all Environmental Laws applicable to the Property and, to the extent Environmental Law requires, clean up any Hazardous Substance Discharge; (b) make all submissions to, deliver all information required by, and otherwise fully comply with all requirements of any Government under any Environmental Law; (c) if any Government requires any clean-up plan or clean-up because of a Hazardous Substances Discharge, prepare and submit the required plans and all related bonds and other financial assurances; (d) promptly and diligently carry out all such clean-up plans; and (e) Indemnify the City Parties against any Hazardous Substance Discharge or violation of Environmental Law, in accordance with Section 5. Declarant's obligations under this Section 4 shall not limit Declarant's rights against Third Persons (exclusive of the City Parties).

5. INDEMNITY.

5.1 Declarant's Indemnity Obligations. Declarant shall Indemnify the City Parties against any Claim to the extent such Claim arises from: (a) any wrongful intentional act or negligence of any Declarant Parties; (b) any Application made by or at Declarant's request; (c) any agreements that Declarant (or anyone claiming by or through Declarant) makes with a Third Person regarding the Property; or (d) any Environmental Claim attributable to any action or failure to act by one or more Declarant Parties.

5.2 No City Liability. During the Term: (a) Declarant is and shall be responsible for operation of the Property; and (b) City shall not be liable for any injury or damage to any property (of Declarant or any other Person) or any Person occurring on or about the Property, except to the extent caused solely by City's gross negligence.

5.3 Survival of Indemnification and Defense Obligations. The indemnity and defense obligations of Declarant under this Declaration shall survive the expiration or earlier termination of this Declaration, until any and all actual or prospective Claims regarding any matter subject to an indemnity obligation under this Declaration are fully, finally, absolutely and completely barred by the applicable statutes of limitations or entry of a court judgment that cannot be appealed or further reviewed.

5.4 Immediate Duty to Defend. The duty to defend under this Declaration includes Claims for which an Indemnitee may be liable without fault or strictly liable and applies regardless of whether the issues of negligence, liability, fault, default or other obligation on the part of Declarant or the Indemnitee have been determined. The duty to defend applies immediately, regardless of whether the Indemnitee has paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any Claims. It is the express intention of the Parties that an Indemnitee be entitled to obtain summary adjudication or summary judgment regarding Declarant's duty to defend the Indemnitee at any stage of any Claim within the scope of Declarant's indemnity obligations under this Declaration.

5.5 No Limitation. Declarant acknowledges and agrees that Declarant's duties, obligations and liabilities under this Declaration, including under Section 4, are in no way limited or otherwise affected by any information any of the City Parties may have concerning the Property or the presence within the Property of any Hazardous Substance, whether the City Parties obtained such information from Declarant, from their own investigations or from a Third Person.

6. **NO CITY RESPONSIBILITY FOR PROPERTY.** City shall have no responsibility for any Construction, management, operation, or maintenance of or on the Property, financially or otherwise.

7. **COVENANTS RUN WITH THE LAND.** Declarant declares its specific intent that the covenants, conditions, restrictions, reservations and agreements set forth in this Declaration are part of a plan for the implementation of CDBG eligible activities pursuant to 24 C.F.R. §§ 570.1 through 570.913 within the territorial jurisdiction of City, and that each shall be deemed covenants running with the land of the Property, binding upon each successor-in-interest of Declarant in the Property for the duration of the Term and for the exclusive benefit of City. Regardless of classification or characterization, each of the covenants, conditions, restrictions and agreements contained in this Declaration touch and concern the land of the Property and each of them is expressly declared to be for the benefit and in favor of City for the duration of the Term pursuant to the authority of 24 C.F.R. § 570.505, regardless of whether City is or remains an owner of any land or interest in land to which such covenants, conditions, restrictions or agreements relate. City, in the event of any Default under this Declaration, has the right to exercise all of the rights and remedies and maintain any actions at law or suits in equity or other proper proceedings, to enforce the curing of such Default, as provided in this Declaration. Declarant expressly assumes the duty and obligation to perform each of the agreements and covenants and to honor each of the conditions and restrictions set forth in this Declaration. Each and every contract, deed or other instrument hereafter made, entered into or performed covering or conveying all or any portion of the Property or any interest in the Property shall incorporate all of the provisions of this Declaration, either expressly or by reference. Each and every contract, deed or other instrument transferring any estate or interest in the Property shall conclusively be deemed to have been made, entered into, performed, delivered and accepted subject to the agreements, covenants, conditions, reservations and restrictions of this Declaration, regardless of whether such agreements, covenants, conditions, reservations and restrictions are set forth in or referenced in such contract, deed or other instrument.

8. **REMEDIES.**

8.1 **Remedies.** If an Event of Default occurs, then City shall, in City's sole and absolute discretion, have the right to exercise any or all of the following described remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other provision of this Declaration:

8.1.1 **Recover CDBG Investment.** City may recover from Declarant the current fair market value of the Property, less any portion of such fair market value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the Property.

8.1.2 **Suits Before End of Term.** City may sue Declarant for damages or other relief, from time to time, without terminating this Declaration, including action in mandamus, specific performance, or other suit, action or proceeding at law or in equity, to require Declarant to perform the covenants or agreements or observe the conditions or restrictions of this Declaration, or enjoin any acts or things that may be unlawful or in violation of the rights of or benefits to City under this Declaration, or by other action at law or in equity, as necessary or convenient to enforce the covenants, agreements, conditions or restrictions of this Declaration. Nothing in this Section 8.1.2 shall be construed to prohibit City from suing Declarant following expiration or termination of the Term, subject to applicable laws.

8.1.3 **Receipt of Money.** No receipt of money by City from Declarant after any Notice of Default shall affect any Notice previously given to Declarant, or waive City's right to enforce payment or deposit of any amount payable or later falling due. Declarant agrees that after service of Notice of Default or the commencement of suit or proceedings, or after final order or judgment, City may demand, receive and collect any money due or thereafter falling due, without in any manner affecting such Notice, proceeding, order, suit or judgment, all such money collected being deemed payments on account of Declarant's liability to City.

8.1.4 **No Implied Waiver.** No failure by City to insist upon strict performance of any condition, covenant, agreement, restriction or reservation of this Declaration or to exercise any right or remedy upon a Default, and no acceptance of full or partial payment of any amount of money due or becoming due to City during the continuance of any such Default, shall waive any such Default or such condition, covenant, agreement, restriction or reservation. No obligation of Declarant under this Declaration, and no Default, shall be modified, except by a written instrument signed by City. No waiver of any Default shall modify this Declaration and each and every covenant, agreement, condition, restriction and reservation of this Declaration shall continue in full force and effect with respect to any other then-existing or subsequent Default of such condition, covenant, agreement, restriction or reservation of this Declaration.

8.1.5 **Damages.** City may recover from Declarant all damages City incurs by reason of Declarant's Default and reimbursement of City's reasonable out of pocket costs, including Legal Costs. City may recover such damages at any time after Declarant's Default, including after the expiration of the Term. Notwithstanding any Law to the contrary, City need not commence separate actions to enforce Declarant's obligations for each amount or payment not paid or each month's accrual of damages or costs for Declarant's Default, but may bring and prosecute a single combined action for all such damages and costs.

8.1.6 **Injunction of Breaches.** Whether or not an Event of Default has occurred, City may obtain a court order enjoining Declarant from continuing any Default or from committing any threatened Default. Declarant specifically and expressly acknowledges and agrees that monetary damages would not constitute an adequate remedy to City for any Non-Monetary Default.

8.2 **Specific Enforcement.** Declarant agrees that potential monetary damages to City would be difficult, if not impossible, to evaluate or quantify upon Declarant's Non-Monetary Default under this Declaration. Therefore, in addition to any other relief to which City may be entitled as a consequence of Declarant's Non-Monetary Default under this Declaration, Declarant agrees to the imposition of the remedy of specific performance against Declarant under this Declaration.

8.3 **Enforcement.** City shall have the exclusive power to enforce this Declaration and no other Person shall have any right or power to enforce any provision of this Declaration on behalf of City or to compel City to enforce any provision of this Declaration against Declarant or the Property.

9. GENERAL PROVISIONS.

9.1 **Relationship of Parties.** Nothing contained in this Declaration shall be interpreted or understood by the Parties or by any Third Person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between City and Declarant or Declarant's agents, employees or contractors. Declarant shall at all times be wholly responsible for the manner in which Declarant or Declarant's agents, employees or contractors, perform any actions required of them by the terms of this Declaration. Except as otherwise expressly provided in this Declaration, Declarant has the right to exercise full control of employment, direction, compensation and discharge of all Persons assisting Declarant in the acquisition, development, operation or maintenance of the Property. Declarant shall be solely responsible for all matters relating to payment of Declarant's agents, employees or contractors, including compliance with tax withholding and all other Laws governing such agents, employees or contractors. Declarant shall be solely responsible for Declarant's own acts and those of Declarant's agents, employees or contractors.

9.2 **Subordination.** Declarant acknowledges and agrees that this Declaration shall, at all times and under all circumstances, be prior, paramount, and senior to any other non-statutory lien, encumbrance, interest or estate (whether recorded or not) relating to all or any part of the Property. City shall be under no obligation, under any circumstance or for any reason, to subordinate all or any part of this Declaration to any lien, encumbrance, interest, estate or other

obligation of Declarant relating to all or any part of the Property. Declarant shall obtain and record all agreements and instruments necessary to place this Declaration in first lien position with respect to the Property.

9.3 No Claims. Nothing contained in this Declaration shall create or justify any claim against City by any Person that Declarant may have employed or with whom Declarant may have contracted relative to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to acquisition of, Construction on, or operation or maintenance of, the Property.

9.4 Approvals. Any approvals required from a Party under this Declaration shall not be unreasonably withheld, conditioned or delayed, except where otherwise specifically provided in this Declaration. Wherever this Declaration states that a Party's approval shall be "reasonable" or not unreasonably withheld: (a) such approval shall not be unreasonably withheld, delayed or conditioned; (b) no withholding of approval shall be deemed reasonable, unless withheld by Notice specifying reasonable grounds, in reasonable detail, for such withholding, and indicating specific reasonable changes in the proposal under consideration that would make it acceptable (if any); and (c) if a Party grants its consent to any matter, this shall not waive its right to require such consent for any further or similar matter.

9.5 Non-liability of City Officials or Employees. No City Party shall be personally liable to Declarant or any successor in interest to Declarant, in any manner under this Declaration.

9.6 Governing Law. This Declaration shall be governed by the procedural and substantive laws of the State, without application of conflicts of laws principles or statutes.

9.7 Amendment. This Declaration may be amended only by a written instrument signed by both Parties.

9.8 Principles of Interpretation. No inference in favor of or against any Party shall be drawn from the fact that such Party has drafted any part of this Declaration. A term defined in the singular in this Declaration may be used in the plural and vice versa, all in accordance with ordinary principles of English grammar, which govern all language in this Declaration. The words "include" and "including" in this Declaration shall be construed to be followed by the words: "without limitation." Each collective noun in this Declaration shall be interpreted as if followed by the words "(or any part of it)," except where the context clearly requires otherwise. Every reference to any document, including this Declaration, refers to such document as modified from time to time (except, at City's option, any modification that violates this Declaration), and includes all exhibits, attachments, schedules and riders to such document. The word "or" in this Declaration includes the word "and," except where the context clearly requires otherwise. Every reference to a law, statute, regulation, order, form or similar governmental requirement refers to each such requirement as amended, modified, renumbered, superseded or succeeded, from time to time.

9.9 Attorney's Fees. If a Party brings a legal action to enforce this Declaration or otherwise arising out of this Declaration, the prevailing Party in such action shall be entitled to recover Legal Costs to be fixed by the court in which a judgment is entered, as well as the costs of such legal action, from the other Party. For the purposes of this Declaration, in the case of City, Legal Costs include the salaries, costs and overhead of the lawyers employed in the office of the City Attorney who are legal counsel to City in such an action.

9.10 Severability. If any term or provision of this Declaration or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Declaration, or the application of such term or provision to Persons or circumstances, other than those as to which the term or provision is invalid or unenforceable, shall not be affected by such invalidity. All remaining terms and provisions of this Declaration shall be valid and be enforced to the fullest extent Law allows.

9.11 Time is of the Essence. Time is of the essence with respect to the performance of each term, provision, covenant, condition, restriction, reservation or agreement contained in this Declaration.

9.12 Titles and Headings for Reference Only. The titles and headings of the articles, paragraphs or sections of this Declaration are for convenience of reference only and are not to be considered a part of this Declaration and shall not in any way interpret, modify or restrict the meaning of any term, provision, covenant, condition, restriction, reservation or agreement contained in this Declaration.

9.13 Notices. Any and all Notices sent by a Party to another Party pursuant to or as required by this Declaration shall be proper, if in writing and transmitted to the address of the Party designated in Exhibit "C" attached to this Declaration, by one or more of the following methods: (a) messenger for immediate personal delivery, (b) a nationally recognized overnight (one business day) delivery service (i.e., Federal Express, United Parcel Service, etc.) or (c) registered or certified United States Postal Service first-class mail, postage prepaid, and return receipt requested. Notices may be sent in the same manner to such other addresses as a Party may from time to time designate by Notice, in accordance with this Section 9.13. A Notice shall be deemed received by the addressee, regardless of whether or when any return receipt is received by the sender or the date set forth on such return receipt, on the date the Notice is delivered by personal delivery, on the date the Notice is delivered (or the date of the second attempted delivery, as set forth in a written statement of the delivery service) by a nationally recognized overnight delivery service, or three (3) calendar days after the Notice is deposited with the United States Postal Service for delivery as provided in this Section 9.13. Rejection, other refusal to accept or the inability to deliver a Notice because of a changed address of which no Notice was given, shall be deemed receipt of the Notice. Any attorney representing a Party may give any Notice on behalf of such Party. The authorized addresses for the submission of Notices to the Parties, as of the date of this Declaration, are set forth in Exhibit "C" attached to this Declaration.

9.14 Pages and Exhibits. This Declaration includes thirteen (13) pages and three (3) attached exhibits.

9.15 Integration.
